
Meet Joel David Kaplan. American businessman, international playboy, gunrunner, resident of a Mexican prison.

The 10-Second Jailbreak is a fascinating study of a caper that would put James Bond to shame.

Here, for the first time, is the whole account of Kaplan's bizarre escape by helicopter from a Mexican prison that made newspaper headlines around the world.

Who masterminded the escape?

What are the CIA, the Mafia, and Cuban agents doing in this case?

Why was Kaplan in jail in the first place?

Get ready for the surprise best seller of 1973!
